### RED-HEADS WANT TO EXHIBIT.

#### Secretary Stevens Receives Odd Request of Twin Brothers Who Married Twin Sisters.

From the St. Louis Republic.]

A letter was received last week by Secretary Stevens of the World's Fair from R. E. Caudill and F. P. Caudill of Cannel City, Ky. The letter was signed "Caudill Brothers," and, in part, read as follows:

"We are twin brothers and married twin sisters, and all four of us have red hair. Nobody living can tell brothers or the sisters we are married to apart. We are 35 years old and the sisters are 34 years old. We would like to be on exhibition in St. Louis next year. Will you kindly place us in touch with the person we must correspond with to this end?"

Secretary Stevens has not been able to decide in what department an exhibit of red-haired twins should be placed. He thinks that anthropology would cover their class, but believes they would be of greater value as part of some concession.

During the Hazel Green Fair, held in 1890, a baby offspring of one of these couples was awarded the premium given for the finest looking boy baby, and the couples themselves attracted considerable attention. At subsequent local fairs they essayed to be exhibited, and failing in that they demanded free admission because of being extraordinary, and just before the Chicago fair one of the brothers paid THE HERALD to write up the quartette with the hope of breaking into that exposition as an exhibit. They have a mania for exhibiting—for pay! A department of "Cheek" might be created for their benefit, though they honestly think they are "some pumpkins."

#### One Hundred Dollars a Box

is the value H. A. Tisdale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of witch hazel with antiseptics and emollients; relieves and permanently cures blind, bleeding, itching and protruding piles, sores, cuts, bruises, eczema, salt rheum and all skin diseases. Sold by all druggists.

#### A 200-Year Calendar.

The editor of THE HERALD acknowledges the receipt of a copy of the 1904 Kodol Almanac and 200-Year Calendar, sent to him with the compliments of the publishers of this most interesting, unique and useful booklet.

The Kodol Almanac and 200-Year Calendar, aside from other interesting features, points out your guiding star and tells you your most promising month. It also tells your lucky day, your flower and your birth stone, and the day of the week upon which you were born or the day of the week upon which any other event has occurred since the day of our National Independence, or may occur upon any given date as far in the future as the year 1996.

Messrs. E. C. DeWitt & Co., of Chicago, Ill., are sole owners and publishers of the Kodol Almanac and 200-Year Calendar, and will be pleased to mail a copy of this booklet to any one enclosing a 2-cent stamp with a request for same, provided this paper is mentioned.

### A Frightened Horse,

Running like mad down the street dumping the occupants, or a hundred other accidents, are every day occurrences. It behooves everybody to have a reliable salve handy and there's none as good as Bucklen's Arnica Salve. Burns, cuts, sores, eczema and piles disappear quickly under its soothing effect. 25c. at all drug stores.

### STILLWATER SPARKLES.

Married, on the 2nd inst., at the home of bride's parents, Rev. Robt. Madin and wife, Miss Delia Madin to Green Hounshell. May their pathway be strewn with happiness.

Wm. Lusk of Myrtle Point, Ore., was here last week.

Mrs. Adeline Hounshell had a wood-chopping Saturday, and got wood enough cut to last all winter.

Ruford Taulbee has sold his farm on the head of the Swango fork and bought on Devil's creek.

Thos. F. Dunn was visiting in Breathitt last week.

A. M. Swango of Stanton is visiting on Stillwater this week.

Leonard Taylor has bought a lot of timber to be made into railroad ties.

Rev. James Davis of Morgan county delivered a very interesting discourse at the Chambers school house Sunday.

Died, on the 6th inst., the little child of Jack Holton and wife, from a burn some time ago.

Mrs. Adeline Hounshell, whose wrist was sprained some time ago, is still very bad.

### A Costly Mistake.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you will never be wrong if you take Dr. King's New Life Pills for dyspepsia, dizziness, headache, liver or bowel troubles. They are gentle yet thorough. 25c. at all druggists.

Hon. John W. Cravens, member-elect to the legislature from the Montgomery-Menifee district, this week moved his family to Hazel Green, where they will reside during his official absence.

### Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HAZEL GREEN, KY.

THURSDAY, : Dec. 10, : 1903.

Our Candidate for President,  
WM. RANDOLPH HEARST,

OF NEW YORK.

## +ANNOUNCEMENTS.+

### FOR JAILER.

**PERDUE.**—We are authorized to announce G. W. PERDUE, of Lane, as a candidate for the office of Jailer of Wolfe County, subject to the action of the Democratic party.

### FOR SHERIFF.

**DAY.**—We are authorized to announce ROBT. A. DAY as a candidate for Sheriff of Wolfe County, subject to the action of the Democratic party.

To THE Democrats of this Senatorial District, greeting: I am a candidate for the office of Senator from this district, subject to the action of the Democratic party, and ask all Democrats to weigh well my claims. For nearly 20 years I have been a citizen and a voter at Hazel Green, and by reason of my position I believe I can safely say I have done as much, if not more, for the success of the party than any man. In the time I have never scratched a ticket, and all in all I feel that I am not asking above my dues. Then, having become a mountain man, I have on all occasions taken pride in silencing slanders about mountain people, and in this I know I deserve the gratitude of a much-maligned people. Hoping you appreciate my past services sufficient to merit your continued confidence, and praying your support, I remain,

Truly yours,

SPENCER COOPER,  
who is identified with every interest to aid the mountain people.

### Fight Will Be Bitter.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. A. Beall of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by all druggists. Price 50c. and \$1.00. Trial bottles free.

PERHAPS it is a little premature to think of a candidate to succeed Hon. H. F. Pieratt as representative of Morgan-Wolfe district, but having in mind a man who has been a wheel horse in local politics and who has done most of his pulling for other people, we deem it not

out of place to thus early place in nomination Sam Wheeler of Morgan county, for the position. To others who may have aspirations in that direction we must say that a probable relationship prompts partly in preference (our mother having been a Wheeler in maidenhood), and we have no desire to disparage the merits of any other man. But we have watched Sam Wheeler's course with a critical eye, and during a double decade, in which he has several times been a deputy sheriff—and one time filling out an unexpired term as sheriff—and we have noticed that he has considerable executive ability. Nor is this all, but his devotion to the Democratic party has been admirably ardent, and he is such a good mixer that he would make an ideal representative. But it being Morgan's turn, it is for the Democrats of that county to say, and we of Wolfe to submit.

### Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of cough, croup and lagrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Dr. Armstrong of Dallas, Texas, prescribes it daily and says there is no better cough remedy made. Sold by all druggists.

The Earlinton Bee issued an industrial edition last week under the title Special Coal and Railroad Number, which would be an honor to the city of Louisville. It was profusely illustrated with pictures of the prominent persons in Hopkins county, of public buildings, &c. It shows much enterprise for Hopkins county, and demonstrates Paul M. Moore, the publisher, as a hustler. He has our thanks for a copy of it with which we made glad the heart of one of Hopkins county's fairest daughters, and we congratulate him on his enterprise.

### Revolution Imminent.

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver and clarify the blood. Run down systems benefit particularly, and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by all druggists.

On Wednesday morning of last week Mrs. Rilda Day slipped and fell from her back porch to the ground, breaking two ribs loose from the backbone and one rib in two places, since which time she has been confined to her bed and suffered the most excruciating of pain. Notwithstanding our efforts to get the news by diligent inquiry, here was an item we failed to get last week, and the very people of whom we inquired the news seem-

ed to be very greatly surprised at not seeing a notice of the accident in THE HERALD.

### Quail and Pheasants Wanted.

I will pay \$1.20 per dozen for Quails and 40c. each for Pheasants same to be delivered at Dayboro, from now until Dec. 16. Highest cash price for Turkeys from Dec 4 to Dec. 14.

THE Thrice-a-Week World was a brilliant success in the beginning and has been steadily growing ever since. ## BLACK-DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturer, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHESTER, N. Y., Jan. 30, 1902.  
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent. better.

## CAMPTON COURIER.

BENJ. SEWELL, Editor. VOL. I. NO. 21

George King of Lane was in town Monday on.

Sylvanus Collins, wife of Wm. Collins, died on the 3rd inst.

Uncle Henry Pence of Holly is reported as very low and given up to die.

"Uncle" S. S. Combs is at Lexington to undergo treatment for his eyes.

Rev. W. T. Tyler and family last week moved into the parsonage at this place.

A. F. Byrd, of Winchester, one of Kentucky's prospective oil magnates, was making pleasant visits to the Campton oil fields last week.

Unknown to Rev. J. M. Robinson, who is conducting a happy revival at this place, Hon. J. C. Chapin of the Campton oil field, headed and championed a movement to collect a "free gift fund of money" from the citizens of this vicinity as a token of their appreciation of Bro. Robinson's services, and succeeded in raising upwards of \$40. Most of it came from the cruel hearted sinners."

T. M. Beckett on last Sunday night got about 200 barrels of oil burned up at the Cabell well. Gas caught fire from a lantern and set the tank of oil on fire.

W. H. Crawford, one of our best drillers, who is in the employ of the Wolfe County Oil and Gas Co., returned last week from a short visit to his family at Monroe, Pa.

A. B. Cox, known in religious parlance as "Chewing Gum," contemplates taking a course in medicine under Rev. Dr. J. H. Stamper, having abandoned the idea of tending law under Z. T. Hurst.

L. W. Page, representing the Cumberland Pipe Line Co., is here to ascertain the production of the Campton oil field, with a view of building a pipe line.

Capt. D. S. Howard, of the Pontiac (Mich.) Oil Syndicate, is having a derrick erected on the farm of S. B. Smith, preparatory to drilling his third well.

The Wolfe County Oil and Gas Co. is having a derrick built on the John Williams farm, preparatory to drilling its second well on this farm.

Some of the girls have been quite cruel-hearted enough to accuse Sam Elkins of wearing a 5-cent cap and smoking 10-cent cigars. The charge must be unfounded, and we hasten to his defense in appreciation of his gallantry in sending his "best girl" a minor—that she must take a look at her beauty at home and abroad.

A. L. Iseman of Indiana, Pa., is here taking a survey of the Campton oil field, in which he with others has extensive holdings, being managed by T. M. Beckett.

J. N. Vaughn of Lexington was here last week and handed us the money for THE HERALD one year. Mr. Vaughn is one of Fayette's most progressive and extensive farmers.

Curtis O. Rose, one of the clerks for S. S. Combs & Sons, says: "I protracted meeting here has forced him to admit that he is not 'the spotless saint' he confessed to be. The Judge says 'None but the pure in heart shall enter my house.' Curt, govern yourself accordingly."

The Masons, Odd Fellows, K.P.s Patriarchs and Rebekahs will have a public installation of their officers at the court house at this place Saturday, Jan. 2.

**Special Land Buyers' Excursions**  
Will run to the new lands of Greer county, Oklahoma, and other sections of the great Southwest in November and December, via the Frisco System.

Are you looking for rich and fertile farming lands in the Southwest which you can buy for from one-fourth to one-tenth the cost of lands of the East and North? They produce as much acre for acre. Here is a chance to better your condition and add a liberal amount to your pocket-book.

For full particulars and special railroad rates apply at once to R. S. Lemon, Secretary Frisco System Immigration Bureau, St. Louis, Mo.

## a Warning

BAD breath is a warning that should not be neglected. It means that the food is not being properly digested—that Indigestion and Dyspepsia will invariably follow, if the warning is not heeded. When the liver is inactive, the food remains on the stomach, generating foul gases that permeate the entire system, poisoning the blood, and giving rise to the ill-smelling breath.

PLANTERS NUBIAN TRA—purely vegetable—containing no mineral or other deleterious ingredients—will speedily relieve and cure all disorders of digestion. Stops at once bad breath, bloating, lost appetite, and all the long train of disagreeable symptoms. Arouses the torpid liver to action—makes every organ in the body strong and well. At all druggists, or by mail, post-paid; 25c. per package, 5 packages \$1.00. Sample and booklet free to any address.

## Tomorrow May Be Too Late.

How many times have you put off something, saying: "I'll do that tomorrow"? But when tomorrow came you again put it off and have kept on putting it off ever since. When asked why, you say "Oh, there's plenty of time yet." IS THERE? Just one example. A young man was taken ill and attended by a physician who left him some medicine to take at a certain hour. When the time arrived the young man, feeling better, said: "I don't need that now," and cast it aside. On the morrow a cramp on the door and the tear-stained faces of wife and little one told a story too sad to picture.

Among the many uncertainties of life there comes a certainty—it is Death, and we must all meet it. It rests with you to make provision for those who depend upon you. The best protection that money can buy is in the
